WITCH HUNTING BECOMES OUR NATIONAL PASTIME...

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday for following week.

There may still be a few die-hards around who will want to argue whether witchcraft or sorcery is our national pastime, but unless you realize that Witch Hunts have taken over as both the Spectator Sport and the Participation Sports of Our Time, you just ain't been payin' attention. For instance, the most recent of many blazes let loose by newly anointed Administration Dictators was that of Dr. Donald Kennedy, commissioner of the FDA. Kennedy shook up livestock & poultry feeders and feed makers by announcing he intended to ban or severely limit the use of antibiotics in feeding meat animals & birds. He admits his reasons are personal bias and further evidenced the theory that his was more Witch Hunt than based on facts when he allowed as how his move "represented a very important social goal". Antibiotics have been used extensively in feeds for 25 years, and so far as known, they have been no ill effects. Such prominent scientists as Dr. (CONT. ON PAGE 14)

Dates Set For Beef Referendum
Houston — Tentative dates for the national Beef Referendum, in which all cattlemen will have an opportunity to vote on a self-help program, have just been announced by the USDA. The dates are June 6-17 for registration and July 5-15 for voting. "Cattle industry leaders have been waiting three years for these (CONT. ON PAGE 3)

8 Screwworm Cases Vs. 885 Last Year!
Mission, Apr. 29 — The eight laboratory confirmed screwworm samples collected in Texas through April this year compare to 885 for the same period of 1976, says Dr. M. E. (Cotton) Meadows, Jr. Only two known screwworm cases were treated in Texas during April, compared to 881 for the same month last year, says the veterinarian in charge of the U.S. Department of (CONT. ON PAGE 3)

Crop, Livestock Reports From Farmers And Ranchers Needed
During late May and June, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. This is part of the continuous (CONT. ON PAGE 4)

Taxpayers Should Request Identification
Taxpayers should ask for the credentials of all persons identifying themselves as Internal Revenue Service employees. In advising taxpayers to exercise this caution, the IRS explained that from time to time, unscrupulous individuals have posed as employees of the IRS to extort money for what these impostors refer to as (CONT. ON PAGE 3)

Food Day flap spreads to Colorado! ANCA President Wray Finney (R) joined Colorado Governor Dick Lamm following a Denver news conference countering newspaper statements to the effect the governor's family ate primarily vegetarian food and would do so on the annual Food Day observance. Lamm cooked beef in his own kitchen for newsmen and said his cook's vegetarian views were his own and not those of Lamm or his family. The governor's sock was quoted in Food Day and the planned meatless dinner at the White House. ANCA had earlier been critical of the White House for what appeared to be an endorsement of a vegetarian diet for all Americans. The governor's sock resigned, and Colorado Governor Dick Lamm enjoyed his favorite food for dinner — Colorado beef.

Carlot Beef Sold Higher on Monday

Amarillo, May 2 (P-S) — Panhandle Area Carlot Beef Trade (for the plant) as of 11:15 a.m. (Beef Trade-Texas Panhandle, Western Oklahoma and New Mexico). Not enough early sales carcass beef or primal cuts reported to establish price trend. A few sales of choice steer and heifer beef 50-75¢ higher than last week's close. Sales confirmed on 9 loads carcass beef, no primal cuts. Steer Beef (5 loads): Choice 3 500-600 lbs. 65.00, 50-75¢ higher. Choice 4, 1 load 600-900 lbs. 60.00. Heifer Beef (4 loads): Choice 2 500-700 lbs. 58.25, 50¢ higher.

Des Moines, May 3 (P-S) Midwest Carlot Meat Trade for Midwest River Area as of 2:15 and close. Compared to Friday's close, beef trade slow. Demand light to moderate. Most reported trades have been on formulated basis. Steer and heifer beef 1.00 higher. No comparable primal beef cut or cow beef sales. Sales on 16 loads steer and heifer beef confirmed. 1 cow beef load. Steer Beef (11 confirmed loads): Choice and prime 3 500-900 lbs. 65.00. Choice 2 800-750 lbs. 64.00. Choice 3 600-800 lbs. 64.00. Late 65.00. Choice 4 500-900 lbs. 60.50. Heifer Beef (4 confirmed loads): Choice 3 500-700 lbs. 58.25.

Grealey, May 3 (P-S) — Colorado Carlot Volume Meat Trade — for Colorado — 2 p.m. Monday, May 2: Steer and heifer beef steady to 1.00 higher. (CONT. ON PAGE 31)

Fourth Straight Increase in Row Was 1 1/2%, Soybeans, Cattle Aid Advance; Hogs, Eggs, Cotton, Corn Declined

The Index of Prices Received by Farmers increased 3 points (1 1/2 pct.) to a record 204. It was 13 points (7 pct.) above a year earlier. The Ratio of Prices Received to Prices Paid remained at 95, above a year earlier. This marked the fourth straight monthly increase in the index, which stood at 179 in December, then moved up to 183 in January, to 187 for February and 190 in March. It's at its highest point since last July. Higher prices for soybeans, cattle, oranges and potatoes were mainly responsible for the gain. Lower Prices for vegetables, hogs, eggs, cotton and corn were partially offsetting. Beef cattle prices were up \$1.10 per cwt. to \$84.00, while hog prices declined \$1.10 to \$38.00. Soybeans advanced \$1.55 per bu. to \$9.35; oranges advanced from \$1.45 per box in March to \$2.00. But, corn was down 3 cents per bu. to \$2.32; eggs were off 3.5 cents per doz. to 58.3 cents; cotton was off from 69.4 cents to 67.3 cents per lb. Meanwhile, the Index of Prices Paid by Farmers for Commodities and Services last July 412-77 415-76

Wheat, per bu	2.41	8.50
Rice, rough, per cwt.	6.93	7.15

Winrock Invitational Santa Gertrudis Sale At Morrilton May 14

Morrilton, Arkansas — Winrock Farms has announced the 2nd Annual Winrock Invitational Santa Gertrudis Sale will be held May 14, 1977 on Petit Jean Mountain near Morrilton, Arkansas.

Only quality Santa Gertrudis cattle will sell in this event that combines the breeding of Winrock Farms with that of Bobby Shelton and Joe Maurin's Los Jaboncillos and Spanish Creek Ranches headquartered at Corpus Christi, Texas.

Selling will be 10 Santa Gertrudis bulls and 40 pairs from the Winrock, Los Jaboncillos and Spanish Creek herds.

The First Winrock Invitational held May 9, 1976 was an indication of the type of cattle to be offered again in 1977. The 1976 offering of 49 1/2 head sold for \$200,000 for an average of \$4,060. Last year 9 1/2 bulls sold for \$90-

Dates Set For Beef Referendum

(CONT. FROM PAGE 1)
dates," says J. D. Sartwell of Houston, who is chairman of the Texas Beef Development Taskforce. "That's how long we have been working to get a self-help program aimed at stabilizing and improving the beef market."

The program, known as the Beef 900 with the high selling bull going to Tweet Kimball for \$35,000 for 3/4 interest. Forty females sold for \$110,000 with the top female pair going to Robert and Debbie Shelton's Los Jaboncillos for \$5,600.

Santa Gertrudis breeders and enthusiasts have been invited to attend this 2nd Invitational Santa Gertrudis Sale and select from some of the top Santa Gertrudis cattle in the world.

For information and sale catalogs write Winrock Farms, Route 3, Morrilton, Arkansas 72110, 501/727-5421.

Research and Information Act, was put together by cattle industry leaders and approved by Congress last year. If approved by two-thirds of the cattleman voting, it will authorize a uniform collection of 3/10 of 1% of the value on each animal sold.

The rate will raise \$30 million to \$40 million a year for beef research, promotion, consumer education and foreign market development, according to Sartwell. The funds will be administered by a 68-member Beef Board, comprised of cattlemen nominated by existing cattlemen's organizations.

We have just begun an extensive education program, aimed at reaching every cattleman in Texas," says Sartwell. "In addition to the 60-member Texas Beef Development Taskforce, representing beef and dairy organizations throughout the state, we have a county Taskforce in each of Texas' 254 counties. We're all working to explain the merits of the program to cattlemen and encourage them to register and vote. Helping to spearhead the educational effort is the Texas Agricultural

Screwworm Cases Vs. 865 Last Year!

(CONT. FROM PAGE 1)
Agriculture Screwworm Eradication Program.

On April 8, R. M. Smith treated a screwworm case near Ricardo in Lateral Extension Service, plus other cattlemen's organizations and general farm organizations.

A similar effort is underway throughout the United States. "Never has there been such a concerted effort among cattlemen to help themselves," continues Sartwell. "Over 80 state and national beef and dairy organizations have endorsed the plan, plus a number of general farm organizations." To vote in the Beef Referendum, producers must first register at the local ASCS office and certify that they have owned cattle at some time during the past 12 months. Then they may return, after a two-week waiting period, to vote at the ASCS office. Absentee forms will be available, upon request, for producers who prefer to register and vote by mail.

Kleberg County, Newton and Albert Boren of Edinburg treated another near McCook in Hidalgo County on April 21.

"All indications are that the 'Mission 77' Stamp Out Screwworms program is working," says Meadows. He warns, however, that fly trap studies show South Texas is coming under increasing pressure from wild flies migrating north from Mexico.

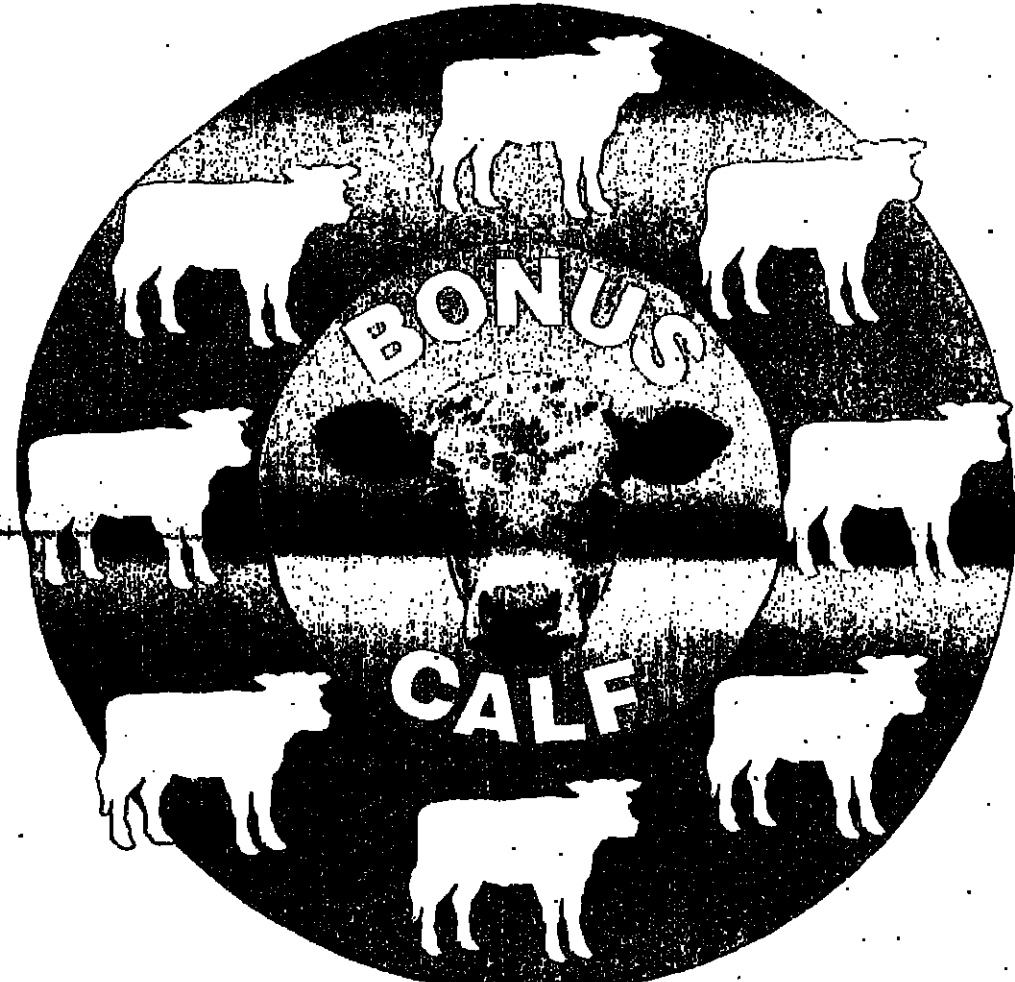

Taxpayers Should Request Identification

(CONT. FROM PAGE 1)
paid taxes.

Taxpayers should bear in mind that every public contact IRS employee carries distinctive identification and is required to produce identification when conducting official business.

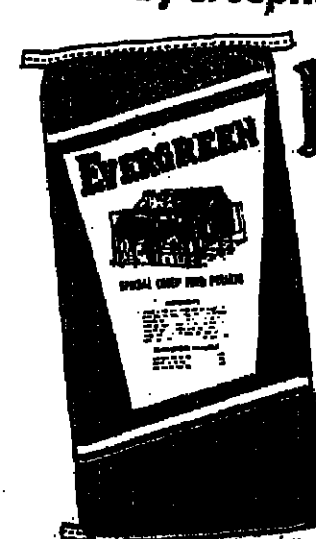

If, after seeing an employee's identification, a taxpayer still doubts his or her authenticity, the taxpayer should immediately contact his or her nearest IRS office.

It isn't so amazing that kids live to become adults when you stop to consider that Mothers usually make it to become Grandmothers.

It's like having a BONUS calf to sell, if you put just 50 pounds extra on each of eight calves you already have!

by creeping on

EVERGREEN
SPECIAL CREEP FEED

Calves really go for that Evergreen flavor! They take right to it and take off in a hurry!

And it costs a lot less than having another cow!

You can also save losing 40-60 pounds on each mother cow because calves don't pull 'em down; mothers recover faster to start on that next calf. Calves don't scour; and if you market, Evergreen-cropped calves usually grade higher, both for individual quality and for batch uniformity.

Johnson Polled Hereford Dispersal, Chickasha, May 16

Chickasha, Okla. — The Johnson Polled Hereford Farms Dispersal will be held May 16, 1977, starting at 11 a.m. The sale will be held at the Oklahoma Auction Center at the junction of Highways 19 and 81 at Chickasha, Oklahoma. Selling are 206 lots of outstanding bloodline Polled Hereford cattle including 85 cows with weaning age calves and rebred, safe-in-calf. Also selling are 71 first calf heifers, 40 bred heifers, bred to a son of WSF Banner 88C, 1975 National Champion Bull; and 10-1878 heifer calf show prospects. For information contact Johnson Polled Hereford Farms, Kremlin, Okla., 405/874-2810, or the sale manager, National Cattle Service, Eddie Sims, 3 Ketch Creek Dr.,

Krist Hubert Brangus Sale Set May 21 At Uvalde College Barn

Uvalde — Krist and Mae Hubert, owners of the Krist Hubert Brangus Ranch, and Bud Trant, manager, will host their annual production sale on Saturday, May 21, beginning at 1 p.m., at the Southwest Texas Junior College agriculture barn in Uvalde. Highlighting the offering will be sale of one-sixth interest and one-half possession in "General," Golden Certified Meat Sire, whose latest honors in the show ring include: get-of-sire at the 1977 San Antonio and Houston shows; sire of the 1977 grand champion female, reserve grand champion bull and reserve heifer calf champion at San Antonio, and the bull

calf champion at Houston. Included in the offering of 108 female lots are 45 pairs, the largest offering of pairs in a production sale in Brangus history, including calves by General, Oscar, Mr. JWH Tom-Tom 88/8, the International Futurity Champion; and Seminole. There will also be 14 fancy open heifers that are daughters of General, Beacon, Oscar, Titan and Seminole; and 62 bred females carrying services of these top bulls. All females sell with breeding privileges to the Hubert sire of the buyer's choice. Four herd sire prospects will also sell including sons of: Mr. JWH Tom-Tom 88/8; Oscar 89/2; Georgie Boy and Super Star. This is an International Brangus Breeders Assn. Guidelines approved sale. Sale headquarters will be the Continental Motor Hotel, Uvalde, phone 512/278-5871. A pre-sale cocktail party will be held from 7 to 11 p.m., Friday, May 20, at

Farm Equipment Auction May 7 Near Montague

Montague, Texas — Fenoglio Bros. annual farm equipment auction sale will be held Saturday, May 7, beginning at 10 a.m. sharp, two miles north of Montague. Consignments include a large selection of gas and diesel tractors, all types of equipment, haying and fertilizing equipment, livestock equipment, trailers and tanks, trucks and cars, shop equipment, miscellaneous items, and tractor-tool make ups. Further consignments are welcomed. The sale will be conducted by Hester Auction Co., which may be contacted by calling Denton, 817/387-1087 or Dallas, 214/241-0122. Terms of the sale will be cash or approved check and nothing will be moved until settled for. Auctioneer will be Ruben Reyes, San Antonio. Bel-Mar Acres Polled Hereford Dispersal Scheduled May 7

Gilmer, Texas — The Bel-Mar Acres Polled Hereford Dispersal scheduled for Saturday, May 7, 1977. Sale time is 10:00 a.m. at the ranch, Gilmer, Texas. This dispersal sale of Polled Herefords feature some of the top bloods of the breed including Victorino, Mesa Domino, Domestic Chief and Lamplighter.

Selling are 276 lots of Polled Hereford Cattle, a total of 33 head. The offering includes 140 cow and calves, 34 bred cows and 11 bred heifers. Also selling will be 41 open heifers, 24 yearling bulls and 7 herd bulls.

To get to the Bel-Mar Acres Ranch take Hwy. 154 west from Gilmer to FM 862, turn right in 5 miles to Bel-Mar Acres sign, turn right and travel 1 mile to the ranch.

Michaelis Ranch Set Sale For May 21

Kyle, Texas — The First Michaelis Ranch Charolais Production Sale will be held at the ranch, May 21, 1977. Sale time is 12:30 p.m. at Kyle, Texas.

Selling are 75 lots, all females. The offering includes 47 cows with calves at side, 18 dry cows due to calve and 10 bred heifers.

The Michaelis Ranch is a founder of the Charolais breed in the United States and this is the first time a production sale has been held solely for their own cattle in their 140 year history.

The sale offers the opportunity for Charolais breeders to share in many years of selective breeding for sound, productive, show-winning cattle.

Auctioneer will be George Morse. For catalogs and reservations contact the sale management, Buzz Garey, Box B, 100 Walnut Lane, Morrisville, Pa. 19067, 215/295-6664.

Oladko Cattle And Farm Equipment Sale, Tyler, May 10

Tyler, Texas — A Farm Equipment and Cattle Sale will be held at the Oladko Cattle Co., Howell Lake Ranch, Tuesday, May 10, 1977. Sale time is 11 a.m. at the ranch located 1.8 miles northwest of I-20, Barber Road Exit at Tyler, Texas.

Selling will be a wide selection of farm and ranch equipment including scales, a truck, hay mower, corral panels, feeders, all types of shop tools, fencing equipment, saddles, bridles, all kinds of horse equipment, animal health equipment, desks, lumber, roofing, saws, tiller, lawn mower and many other items too numerous to mention.

For information contact the sale management, Double D Auction Service, Rt. 1, Box 203, Waco, Texas 76782, James Duncan, 214/885-5674 or Jack Dillard, 214/887-2822.

A FIRST...

MICHAELIS RANCH

PRODUCTION SALE

AT THE MICHAELIS RANCH — KYLE, TEXAS

75 LOTS

Saturday, May 21 - 12:30 P.M.

After 140 years in the ranching business, the tradition-rich Michaelis Ranch will stage for the very first time a production sale solely of their own cattle. A FOUNDER HERD in the Charolais breed, they will offer 75 lots (all will be females) including: 47 cows with calves at side, 18 dry cows due to calve, and 10 bred heifers — all rich in traditional Michaelis quality. Charolais from Michaelis Ranch as well as cattle sired by Michaelis bulls are internationally known and respected for their productivity, structural soundness, easy fleshing and quiet temperament.

The breeding and improvement of Charolais is their business — their only business. Now you can share in their years of selective breeding for sound, productive, show-winning cattle.

GEORGE MORSE, AUCTIONEER (KSLBB-77-0408)

For catalogs and reservations contact:

BUZZ GAREY, Sale Manager, at Box B, 100 Walnut Lane,
Morrisville, Pa. 19067. Telephone: (215) 295-6664.

Texas Brucellosis

Hearing Slated

For May 17

(CONT. FROM PAGE 1)

lege Station, Texas.

The commission, studying the eradication effort in effect since 1961, conducted earlier hearings at Miami Beach, Fla., Fresno, Cal. and Kansas City, Mo. Formed at the request of livestock producers, the independent panel of economists, veterinary and animal scientists and public health experts works under contracts between USDA and the University of Wisconsin-Madison and Texas A&M.

UW-Madison veterinary scientist Dr. David T. Berman is commission chairman.

The hearings are being held to collect views on present knowledge of brucellosis, application of current eradication procedures in the cattle industry, human brucellosis incidence, alternatives to the present program and cost-benefit analyses of alternatives.

The USDA's program calls for calf vaccination, some adult vaccination in seriously infected areas, infected animal identification, herd quarantine, and slaughter of infected animals.

Other commission members include veterinary scientist, Dr. R. K. Anderson of the University of Minnesota School of Public Health; former Texas A&M animal scientist W. T. Berry, now of Western Farm Management; agricultural economist John A. Hendrix of Texas A&M; and Dr. Robert Wise, chief of staff of the Veterans Administration Center, Texas.

The commissioner's final report will be issued in June 1978, with interim reports will be made periodically.

Persons unable to attend a scheduled hearing can make comments in writing to Dr. David T. Berman, Department of Veterinary Science, UW-Madison, Madison, Wisconsin 53706.

Alford Sets "Cowman's

Opportunity Sale" At

Giddings For May 14

Giddings, Texas — Alford Cattle Company has set Saturday, May 14 as the date of their Cowman's Opportunity Sale. Sale time is 12 noon at the Centex Commission Company at Giddings, Texas.

Selling are 600 heifers to be sold in groups. "Show Me" Brangus Sale Set May 14 At Dadeville, Mo.

Dadeville, Mo. — Mike Condict, Managing Partner of Regal Land & Cattle Co., Dadeville, and Kent and Janice Mouser of JK Brangus, Mooresville, Mo., will host the "Show Me" Brangus production sale Saturday, May 14 at 1 p.m. at Dadeville.

Selling will be 70 females and 30 bulls. The females include 15 pairs, 20 bred heifers and 35 open heifers, all registered, and all pregnancy, bangs and TB tested. The bulls include seven herd sire prospects and 30 range bulls, all registered, and all Bangs, TB and fertility tested. Two year olds and yearlings past. The range bulls will sell immediately after the females at approximately 3 p.m.

Sale headquarters will be the Howard Johnson Motel, Springfield, Mo., where a hospitality suite will be open from 7 to 9 p.m., May 13. Transportation will be available.

Direct Feedlot Trade Is Slow, Prices Are Firm

(CONT. FROM PAGE 1)

40.50-41.25, 1 load choice 2-3 900 lbs. 41.75. Mixed good and choice 2-4 850-1050 lbs., including heifers, 38.50-40.50, 3 loads good and few choice 2-3 900 lbs. 37.50.

Not enough sales slaughter steers or heifers reported Friday and over the weekend to establish price trends. Steers 300: 8 loads mostly choice 2-4 to and from the sale site from the sale headquarters. Lunch will be served sale day at 11:30 a.m.

Ray Sims will be the auctioneer. Sluph & Thangs

(CONT. FROM PAGE 1)

Thomas Jukes who discovered the advantages of feeding antibiotics and who is currently with the University of California Division of Medical Physics and Department of Nutritional Sciences in Berkeley stated the examples

selected by FDA to support Kennedy's arguments "are singularly inappropriate," which we suppose is the academic way of saying "poppycock." No less an authority than Dr. T. J. Cunha, dean of the School of Agriculture, California State Polytechnic University, says the same thing regarding the feeding of antibiotics to swine and cattle. A list of studies as long as your arm to

support his case. What is obvious is that today's leaders in the "Witch Hunt" don't want, and don't intend to be, influenced by facts and they certainly don't want anything to come up that might affect their preconceived notions.

The new head of the Transportation Department has revived the Air Bags. A notion that only Nader and his legions of Witch Hunters and a few other ill informed folks want to foist on the automobile owners of the country. While the White House went to considerable lengths to dodge any blame for that Vegetarian Food Day report, a leaked copy of a White House Staff memo increased the "Credibility Gap" when it was learned that it stated White House support of Food Day to acknowledge "a crisis that is happening in this country... the sugary, high fat foods we eat... cause heart disease and cancer." This memo from the office of Mr. Midge Costanza, director of White House public liaison, went on in typical Witch Hunter diatribe with "Giant corporations control more and more of our food supply each year, and they do it at our expense, healthwise and dollarwise. Food should be for people, not for profit."

So all of you farmers and ranchers can now understand just what kind of horse's necks you are if you sweat and strain trying to wring a bit of profit for your labors.

One thing interesting is the fact that these Bureaucratic Dictators are getting involved in power struggles, which may give us a little relief from some of their "Witch Hunting." It seems HEW's Califano is getting a little from a newly rising power, one Stuart Eizenstat, Carter's adviser on domestic policy, and Califano seems likely to lose his grip on the Dept. of Education. There is also a good battle shaping up over who will control city problems, with Commerce Chief Juanita Kropp, Treasury Boss Blumenthal, and HUD Chief Finkelstein Harris looking for horns. One rare tidbit seems to be that Ralph Nader is having trouble with some of the lesser Naderites. He is pushing for more oil & gas development in his efforts to side trace nuclear power development and his henchmen think he may be joining the "Dirty Ones in the process."

Naderites, Congress could clear up a lot of these messes by simply rewriting some of their past mistakes like the Dolanoy Clause and the one that enables the environmentalists to halt a needed power plant because it might kill a few rare weeds or useless minnows. Meanwhile, just relax, the "Witch Hunts" will get worse before they get any better, if present indications mean any thing.

Ever thine,
The Editor.

P.S.: Uncle Dunk claims the folks who are dependant on the Govmint to take care of 'em by sayin' the bills and spreadin' the wealth out to look at the Govmint's track record. The country is further in debt than anyone would believe possible and now even Social Security ain't secure. One thing is certain sure, the U.S. Govmint has to be the worst manager in history. Dunk figures now that President Carter has had a change of heart, the "Witch Hunts" ain't unexpected that he wants to "junk" the whole thing and start over. Too many of these Govmint programs are growin' like cancers on our Grate Sausage and some radical surgery is called for and the sooner the better! — Thassell, Brothel

The most versatile linguist in the world is probably the American Dollar. It talks in nearly every language on earth.

Kimbell MEDICATED FEEDS ARE MONEY MAKERS

It goes without saying that no program or type of feed can guarantee a profit on a particular set of livestock. However, it is possible to guarantee that with proper management a feeding program will make livestock more valuable — better money makers.

KIMBELL Medicated Feeds Are Designed to Improve Animal Health and Balance Nutrition

This type of program improves the appearance, gives livestock the "good doing" look — this convinces your buyers they are "worth more."

This type of program actually makes your livestock "do better" — control of disease and parasites adds pounds — they are "worth more."

Get complete information on

Kimbell MEDICATED FEEDS... THE MONEY MAKERS

Kimbell 37% RANGE BLOCKS (Medicated)

give needed supplementation to make gains and hold them. Positive control of horn flies and internal parasites.

Kimbell 20% RANGE BLOCK A (Medicated)

prevents onchocerciasis, also aiding in prevention of bacterial pneumonia and shipping fever (hemorrhagic septicaemia) and reduces losses due to respiratory infections (shipping fever complex), aids prevention of foot rot and bacterial diarrhea. Contains Aureomycin.

Kimbell 32% (equivalent) Cattle Supplement

(Medicated) A better Pre-Conditioning supplement, aids in maintaining weight gains in the presence of respiratory disease, such as shipping fever. Contains Aureo \$ 7.00.

Kimbell Pasture Supplements (Medicated)

In 20% to 30% levels, to fit pasture conditions, will keep them in top shape for breeding or selling. Positive control of horn flies and internal parasites.

**AICA Sets \$10,000
Award To Purebred
Steer Grand Champ**

Establishment of a standing special \$10,000 award to the owner of qualifying purebred Charolais steers named grand champion steer over all breeds at four designated shows has been announced by American-International Charolais Assn., beginning with the 1977-78 season.

Shows at which the award may be paid are the American Royal in Kansas City, North American Livestock Show, Louisville, National Western, Denver, and the Houston Livestock Show, Houston.
To be eligible for the award, the steer must be registered with the association at least 90 days prior to the show. To be eligible for registration the steer must be a purebred Charolais, permanently identified and photographed. The sire and dam must be purebred Charolais, each registered with the association. The owner or exhibitor must have the steer's certificate of registration in their possession at the show.

After being named Grand Champion, the steer must be slaughtered. The carcass must produce minimum requirements of two inches of ribeye per 100 pounds of warm carcass weight, have a yield grade of 2.9 or less, and a minimum low choice quality grade.

Since the late 1960's, the Charolais association has paid out more than \$100,000 to exhibitors of Charolais crossbred steers that were named grand champion or reserve grand champion in either live or carcass competition. This program continues in effect, in addition to the new program, at designated shows, for grand and reserve champions sired by a purebred bull that is registered by the association.

**Johnny Cake Sets
May 30-31 Dispersal
Of Arkansas Unit**

Manassas, Ark. — Johnny Cake, Inc., will have a Charolais Dispersal of the Arkansas Unit Monday, May 30 and Tuesday, May 31. Sale time will be 10 a.m. each day at the ranch at Manassas.
The cattle will be sold by groupings with about one-half of each group sold each day. Groupings for both days are 114 cows with fall calves, 65% polled calves; 8 herd bulls; 118 open virgin heifers; 71 yearling bulls, about 50% are polled; 59 cows with spring calves, about 70% of calves are polled; and 92 bred heifers.
The May 30 offering also includes a special 41 group of 29 cows with 19 calves at side and 20 open heifers.
The May 31 offering includes 84 cows with new spring calves and 43 dry cows, due to calve in the fall.
Interest in several top Charolais bulls also will sell including 1/4 interest, no possession in ACR Alfalfa John 076, 1/4 interest, no possession in Bruce, 3/4 interest and full possession of Cardinal and Halifax, and others.
In addition 71 yearling bulls will sell. About half of these bulls are polled.
For information contact the sale manager, Buzz Garey, Box C, 100 Walnut Lane, Morrisville, Pa. 19067, 215/298-9864.

**These are the kind that will help you
Take Advantage of
New Beef Grades**

Demand for Charolais-sired feeder cattle is definitely on the upswing . . . no other breed will help you take advantage of New Beef Grades quicker than Charolais . . . Charolais bulls get you there in one breeding season with extra weight at weaning . . . feeders know feed efficiency and carcass traits of Charolais-sired calves are superior.

Let Charolais help you take advantage of New Beef Grades.

There's a breeder near you.

TEXAS HEREFORD NEWS

Hereford Evaluation Contest At Junior Field Day Set At Granite Hills Ranch

The format for the Hereford evaluation contest scheduled as a part of the 1977 All American Junior Hereford Field Day will incorporate a relatively new dimension in judging competition, according to American Hereford Association officials charged with planning the two-day national event. Site of the All American is the Granite Hills Hereford Ranch, Llano, Texas, Thursday and Friday, July 28-29.

The judging contest will consist of five separate classes including the traditional four-head classes as well as a pen-of-three bulls class and an eight-head feeder calf selection class. Contestants will be provided with basic objective information on each class by means of having made available to them various Total Performance Records data such as 205 day adjusted weights, weight per day of age figures and computerized breeding value ratios.

Prior to the actual judging contest, participants will be briefed in the uses of performance records in live animal evaluation. Three cow families from the Granite Hills herd will be discussed with regard to varying levels of performance as it relates to their live evaluation. In addition, a feeder calf evaluation session will be included as a

part of the Thursday afternoon program.

Competition in the All American judging contest is open to anyone and will be divided into three age divisions as well as two team divisions for the participating juniors. There will be an additional age division for adult competition.

Other activities scheduled for the All American include several special Texas Junior Hereford Association activities, an American Hereford auxiliary meeting, ranch tours, and displays of various Granite Hills progeny groups, special guest speakers, and the national Junior Hereford showmanship finals.

Rocking Chair Ranch Has 4 Super ROM, 7 Show ROM Sires; First Sale May 23

San Angelo, Texas — Loyd C. Whitehead, owner, and Kenneth Loso, manager, will host the Rocking Chair Ranch Hereford production sale on Monday, May 22 with the first offering in volume of bulls and females from one of the most carefully developed Hereford herds in the nation.

Rocking Chair Ranch is the only ranch in the nation to include in its herd bull battery four super Register of Merit sires and seven Show ROM sires. Many of the 58 bulls and 51 females selling carry those famous bloodlines and many of the heifers are pasture exposed to some of the bulls.

The Super ROM sires are Upstream Golden R164, an Oct. 20, 1968 son of Golden Real 78; Mischief 119, an Oct. 25, 1965 son of Mischief 678; RC Mischief K49, a Feb. 9, 1971 son of RC Mischief D4; and RCR Silver Wind 128, an Aug. 28, 1969 son of Mischief 119.

"Texas Hereford Open House" Program

Will Be Added Feature During
All American Junior Hereford Day

Ft. Worth, Texas — Officials with the Texas Hereford Association have announced plans for several leading Hereford breeders and local breeder groups throughout the state to stage "Texas Hereford Open House" during the days immediately preceding and following the All American Junior Hereford Field Day scheduled for July 28-29 at Granite Hills Hereford Ranch near Llano. According to THA Secretary-Manager, Jack Chastain, the open houses are a means of encouraging local and out-of-state participants at the All American to allow time for leisurely, informal visits to the particular operations they would like to learn more about.

In several instances, coke break stops and/or lunches or other snacks are being organized by the various breeders who welcome the

opportunity to visit about their operations and specific breeding (CONT. ON PAGE 21)

Noack Auction Of Hereford Bulls, May 7

Rockdale, Texas — Leon Noack will sell 30 Hereford bulls at auction Saturday, May 7, 1977. Sale time will be 1 p.m. at the ranch located 4 miles south of Rockdale on FM 308.

The sale offering of young yearling bulls will be sons of Wenlock Julian, Brae Arden 7482, Britisher Dom 5E, and few sired by other older bulls. A special feature of the sale will be the offering of LN Julian 641.

For information contact Leon Noack, Rt. 2, Box 587, Rockdale, Texas 76587, 512/446-3652 or 446-2364. Auctioneer will be Walter Britten.

☆ RCR SILVER WIND 123**

And Many Other Young Hereford Bulls Destined for Greatness!

Some of the Rocking Chair Ranch Hereford heifers that will sell May 23 are shown above. The female offering features the breeding and many carry

Rocking Chair
(CONT. ON PAGE 18)

helfers. Loe said about 80 percent of the cows have been raised on the Rocking Chair Ranch.

Some examples of the type of herd sires used by the Rocking Chair are Golden Real R164, on whom a valuation of \$100,000 was set when Whitehead purchased an interest in him.

Tom Rogers, left, and Ken Loe, manager of Rocking Chair Ranch, are shown in front of the ranch's sale barn located on Farm Road 1225 about 12 miles southeast of San Angelo where a production sale of 100 lots of Hereford cattle including 58 bulls will be held May 23.

"We also bought two other promising young sires in the Cooper-Holden Annual Production Sale, one for \$17,000 and another for \$28,000," Loe said.

"The emphasis at Rocking Chair has been to produce sound, practical cattle with bred-in size, muscle, growthiness and eye appeal that will add marbling and grade," Whitehead said.

"Each of the four super ROM sires that are part of our bull battery rank high in the Feedlot and Carcass phase of the Register of Merit Evaluation pro-

These are some of the Hereford bulls being offered for the Rocking Chair Ranch production sale May 23.

Rocking Chair Ranch dates back to the early 1860's and the name appears prominently in many Texas history books. In 1908, it was purchased by Blair M. Boyd, who lived on it until the summer of 1907, when he moved to Hillsboro, Ohio. The ranch was then leased to different parties for the next 22 years. In 1929 it was bought from Boyd by Whitehead, who maintained a herd of about 300 commercial cows on it until 1966. During that time it produced several champion pens of feeder steers in San Angelo feeder calf show-sales sponsored by the Concho Hereford Assn.

RC Mischief K78, one of the top plus sires, is shown in a Rocking Chair Ranch pasture.

This All-Female Sale features 150 head of mostly bred cows and calves and bred heifers. This sale offers the opportunity to visit the ranch and see the service of Whitehead's Hereford Senior Bull Sires. Line ones, D4's, and Broken Horns, plus a representation of younger bulls like WE Lone One 89, WE Lone Star Grand 2, SR Mark Donald M154, SR Arthur M205, Lone Star Rebel, and WE Deefour 10. The selling will also include open heifers.

For information contact Weldon Edwards Herefords, Route 2, Box 285, Clyde, Texas 79510, Phone 915/893-4903.

Replacement Cattle Prices Were Mixed During Past Week

Kansas City, Apr. 29 (USDA) — National Feeder Cattle and Calf Summary: Approximately 261,700 this week, 260,000 last week, 258,000 last year. Feeder cattle and calf prices were mixed this week, following three weeks of price upturn. Up to midweek many reporting points showed firm to 2.00 higher but midweek and Thursday selling at many of the important selling points including Kansas City, Oklahoma City, Dodge City, Amarillo and Sioux Falls South Dakota showed a price

turnoff to weak to 1.50 lower.

A surprising number of turn out calves and yearlings this year were in the very thin to thin flesh as a result of last fall's dryness and last winter's harshness.

The heretofore almost frenzied acquisition of fleshy and partly fattened yearlings stopped abruptly at many points with buyers, past and present, wanted to reevaluate the cattle feeding situation.

While spring rains over much of the grazing area have been sufficient to start grass in an encouraging manner, most points still point to a need of replenishing depleted sub surface moisture and mulling of stock ponds. The Northwest is again moving cattle due to

dry conditions. Most of the livestock has moved off wheat except in those areas where there will be a grass off.

River Market Terminal: 42,800; Steers: At Kansas City, choice and prime thin and framey 500 lbs. 46.00; 500-600 lbs. 44.00-46.00; 600-800 lbs. 42.00-44.00; 800-900 lbs. 40.00-42.00; 900-1,000 lbs. 38.00-40.00; AVOID CHANGING WHEEL LEATHERS FOR MANY YEARS

Perma-cups are molded urethane, more wear resistant than nylon. Perma-cups will outlast leathers 10 to 1. Their tapered design allows only 1/8" wear, instead of 5/8" of a leather. Much less friction for easier pumping extends cylinder life greatly. Perma-cups must be used in a good or new cylinder, as they do not swell. Install Urethane Perma-cups, Urethane Check-balls, and Urethane Pump Rod-guides, and don't pull that wall for many years. Thousands are in wells that have not been released in 8 years! All are available in standard cylinder and pipe sizes. Write or call for our catalog. We ship same day order is received. This is our 27th year serving ranchers.

VIRGEN PERMA-BILT CO.
2821 MAYB AVE. • BOX 7180 WL
AMARILLO, TEXAS 79108 • 806/282-2781

On June 25, 1876, George Armstrong Custer ignored his scouts' warnings of many Indians gathered at Little Big Horn. So he rode out with 250 men to "surround" 6,000 Indians. This was a serious error.

Numbers can make all the difference.

It is always a serious error to ignore numbers or talk about them in vague terms. BPA (Business Publication Audit of Circulation, Inc.) guarantees the circulation figures of our member magazines — issue after issue. When you advertise in BPA-audited magazines, you get precise, nonpromotional numbers.

BPA We count, so your ads will.

This BPA-audited magazine donated the space for this ad, with creative and production costs contributed by BPA agency and advertiser members.
